

DigHealth Annual Meeting & Training Strengthen Digital Health Capacity 🌐💻

From **29 September to 10 October 2025**, partners of the **DigHealth project (Ref. 101179425)** met in **Greece GR and Croatia HR** for the **annual meeting and telemedicine training** hosted by the **University of Piraeus and RIT Croatia**.

The events combined strategic planning with hands-on sessions on **telemedicine, e-health, and data privacy**, empowering academic staff from **Ethiopia and Somalia** to design the region's first **micro-credential programmes in digital health**.

Through this Erasmus+ Capacity Building initiative, **ten universities and organizations** from Europe and Africa are joining forces to modernize healthcare education and improve access to digital services in remote areas.

💡 Funded by the **European Union (Erasmus+ CBHE)**, DigHealth runs until 2027, driving sustainable digital health transformation in Africa.
